

# InterForensics 2023

International Conference on Forensic Sciences

*August 28-31 – Brasilia - Brazil*

The largest Latin American Forensic Sciences meeting

# InterForensics 2023

InterForensics, the largest integrated Forensic Sciences event in Latin America, is held every two years. With thematic conferences in 13 main areas of Forensic Sciences, this is where organizations, companies, scholars, and specialists from both the public and private spheres gather to exchange knowledge, network, exhibit products and services, present papers and research, hold lectures, panels, and debates.

Knowledge,  
experiences,  
networking.

All in a single event.
